

University at Buffalo

Department of Computer Science & Engineering
CSE 410 — Introduction to Artificial Intelligence

-
- Make sure you fill in form **with a pen**.
 - After you have filled in the form, scan it and upload it to Autolab.
-

I, _____ (PRINT name), acknowledge that I have read and understood the syllabus and the homework policy for this course, CSE 368 *Introduction to Artificial Intelligence*.

I also acknowledge that I understand the definition of academic integrity as outlined in the syllabus, and that I will minimally receive a grade reduction in the course (for my first academic integrity violation at UB) or an F in the course (for my second academic integrity violation at UB) if I am found to have breached academic integrity. In particular, I understand that I cannot claim that I did not understand the rules if I am found to have breached academic integrity.
